## **TITLE:**

CEO

## **BUSINESS/SERVICES:**

Provides cost effective and easy to transport concrete mixing and concrete batching machinery, for sale and hire to construction businesses.

# TARGET AUDIENCE

Construction, Mining & Metals, Oil & Energy

# PROCESS OVERVIEW

The solution provider company aims to get quality leads in the construction and mining industry to provide the machinery for hire and for sale, keeping in view the cost and transportation aspect.

The client is actively involved with the team and always provides clear feedback and latest updates about his business during the campaign. We've been working with the client for last 2.5 years and helped him grow his business and network with quality leads and valuable content.
